\*\*Solopreneur is a person that works individually in their role. Ex: Financial service professionals, Real Estate professionals, a CPA etc. If the office rather than an individual is looking to join the rate would be based on company size, based on employee count.

\*Employee is anyone who works for the company at the business address submitted for membership.

\*Equivalent full-time employees at 40 hours (e.g., two part-time employees working 20 hours each equals one full-time employee).

\*\*\*\*A bank's membership is calculated on the total number of branches within the Greater Norwalk Area. The per branch fee is \$675.
